Emily Dwyer

Hi, my name is Emily Dwyer and I will be a senior at North Reading High School. I am an honors student at NRHS. I am going into my senior year.

I am a member of the varsity field hockey and lacrosse teams. I am also a member of the Interact Club and Samantha's Harvest. I am not much of a crafty person but I enjoy being outside and active. I have one sibling but I come from a large extended family with lots of younger cousins.

In the future I hope to pursue a career in Physical Therapy. I have been attending the Recreation Playground programs since I was four years old. My brother and I have gone from going to Kid Connection to SummerScape program and then onto being staff members. This summer will be my second summer working at SummerScape and I am looking forward to having another awesome summer!
