

**MINUTES OF THE WASTEWATER PROJECT COMMITTEE  
TUESDAY, AUGUST 15, 2023**

---

Mr. Stuto called the meeting to order at 8:31 a.m. Participating members were, Mr. Stuto, Jeffrey Griffin, Steven Correale, and Victor Hui. Mr. Sutherland was absent from the meeting. Town Administrator Michael Gilleberto and Director of Public Works Joseph Parisi were also present.

Mr. Gilleberto reviewed the charge of the Wastewater Project Committee as approved by the Select Board and briefly discussed the mission of the Committee.

Mr. Stuto expressed his views and expectations for the upcoming work of the Committee.

Director Parisi was asked by the Committee to provide an overview of the status of the Wastewater Project. Director Parisi was asked to provide links to project information to the Committee members.

For the next meeting, Director Parisi was asked to develop a list of FAQ's relating to the Municipal Wastewater Project that could be posted on the Town's website and used as handouts at future meetings. Director Parisi was also asked to develop a flyer with bullet point information that could quickly convey important information about the project to the reader.

Next meeting to be held on 9/13/23 @ 7:00 p.m.
