The North Reading Community Impact Team (CIT) is a partnership between the North Reading Police Department, North Reading Youth Services, North Reading School Department, North Reading Parks & Recreation, North Reading Fire Department, North Reading Elder Services and the North Reading Board of Selectmen. The team was developed to better coordinate the services provided to the community. The CIT's mission is to work together to better the quality of life for all citizens. The Team emphasizes the use of innovative, non-traditional methods of impacting crime and the fear of crime and strives toward cooperative interaction between the community, law enforcement and town departments. The CIT works to identify factors that have a negative impact on the quality of life for the citizens of North Reading and to implement solutions that solve the underlying problems.
