

Antonio Catino

My name is Antonio Catino and I am returning for my second year as a Summerscape counselor. Last summer I worked as a floater but now I am a full time counselor. A few years ago I was a CIT for 3 weeks at Summerscape before. I am going into my Senior year at North Reading High School.

At school I play 3 sports, soccer, indoor track and outdoor track. I am a varsity athlete in all 3 of these and plan to be a part of these teams next year. For soccer I play Striker and for track and field I do multiple events such as the hurdles as well as other jumping events. I enjoy playing and watching soccer and it is pretty much all I do in my spare time as well as any other sports outside because I enjoy playing all types of sports. My mom's name is Dena my dad's name is Anthony and I have a brother named Nick as well as a dog named Oliver.

Last summer was very successful for Summerscape but I think that we can do an even better job and be more successful this summer.
