

FRIENDS OF THE NORTH READING COUNCIL ON AGING
 157 Park Street
 North Reading, MA 01864

APPLICATION FOR MEMBERSHIP

The Friends of the North Reading Council on Aging is a not-for-profit volunteer organization formed to support and enhance the good works of the Edith A. O’Leary Senior Center and the population it serves, the age 60 and over population of North Reading. Seniors today represent a diverse group of individuals with a wide array of needs. A broad spectrum of services and programming is needed to reach out to our seniors and serve them well. The current budget creates a financial challenge to properly serve these needs. Become a supporting member with a tax deductible donation. For questions or further information, please call the Center at 978-664-5600. The goal of the Friends is to help provide these needs with a number of fundraising activities to include memberships, bequests, special events, grant writing, etc., along with donations from business partners and others.

Please send the completed form for June 2014—May 2015 along with your tax-deductible check made payable to Friends of North Reading COA, Inc. (FONRCOA) to :
