

KID CONNECTION 2016

June/July 2016						
◀ June	Mon	Tue	Wed	Thu	Fri	August ▶
Creative Kiddos Week 1 	6/27 Kids will have lots of fun going on a nature hike and painting a nature craft.	6/28 Who would have thought you could paint with food!	6/29 Have you ever made a shadow box? Let's explore the park and collect memories.	6/30 Let's make an edible artist palette and head to the park for a picnic.	1	
Fiesta Week 2 	4 Fourth of July HOLIDAY No Program	5 Let's celebrate with a maraca craft and greet your friends in Spanish.	6 Yum! Make some sombrero cookies and learn how to count in Spanish.	7 Hola Amigo! Taco craft and Mexican hat relay and Sombrero toss. Learning colors is always fun.	8	
Dr. Seuss Week 3 	11 You could not would not want to miss a celebration such as this. Join us to be crafty and you will leave counting 1, 2, 3...	12 Oh my! Oh me! What fun it will be to make a Dr. Seuss mask for your face and then we'll go to the park and have a fun race!	13 A lorax tree come and see how to make one with me. Walking to the gazebo is always fun to do as we eat our snacks and play there too.	14 One Fish, Two Fish, Red Fish, let's make Blue Fish!	15	
Minion Mania Week 4 	18 Kitchen time! Children will make minion treats and play minion toss out in the meadow.	19 Let's design a minion hat to wear as you knock down minion eye towers.	20 A stroll to the gazebo is where we'll go. We can eat our lunch and play minion games.	21 Making minion eyes is always fun. Lunch at the Park!	22	
Little Scientist Week 5 	25 Kids will be amazed with what bubbling oozing fun they will see.	26 I spy lots of Molecule fun! Picnic lunch and outdoor games.	27 You wouldn't believe how much elephant toothpaste comes oozing out!	28 Let's make a blow rocket that you can take outside and blow into the air!	29	
Notes: Depending on the weather and the day's activities, there is a possibility that we will take the children for a walk to the gazebo or the Pavilion for snack and/or lunch. When preparing snack and lunch, please store them in separate containers so that it is easy for the children to grab either their snack bag or lunch bag.
