Department of Public Works

Pavement Restoration Project Update

The Department of Public Works intends to continue its pavement restoration project this Thursday, October 20, 2016, weather permitting and continue through Friday October 21, 2016. The Department, through its contractor, EJ Paving from Methuen, MA, will be providing an 1- ½” overlay of hot mix asphalt over the recycled base or existing mix:

<u>Street Name</u>	<u>From</u>	<u>To</u>
Swan Pond Road	Fox Run Lane	Adam Street
Central Street	North Street	Andover town line
Chestnut Street	Haverhill Street	Flint Street
New Street	Chestnut Street	Haverhill Street
Haverhill Street	Ipswich River Bridge	Reading town line

Delays may be experienced when travelling by the worksites. Alternate routes should be considered. Your cooperation and patience is appreciated.
