Street Sweeping Schedule

The North Reading DPW began its street sweeping program on Wednesday, May 4th and will continue until complete.

For the week of May 9th through May 13th, residential streets in the following areas are scheduled to be swept, weather permitting:

- Town Hall Area
- Linwood Avenue Area / Redmond Avenue Area
- Southwick Road Area/Nutter Road/ Concord Street/Damon Street Area
- Spruce Road Area / Central Street Area

Residents are asked to sweep their sidewalks into the street gutter in advance of street sweeping. Residents are also requested to avoid parking their cars on the street on the day that their street is to be swept.
