Hello Danielle:

I hope you are well. I thought this looked good – the only suggestion I have is to consider adding to Section 200 -x “Use Regulations” that multi-family is allowed *as of right*...I realize you have this in the Purpose section but adding it to the Use Regulations section might give additional clarification.

Happy to answer any questions. Thanks for your work!

Best,

Margaret

Margaret:

I read your message on Massplanners offering to review proposed zoning amendments for MBTA communities and would very much like to take you up on your offer! North Reading's draft zoning amendments are attached.

Thank you very much.
