

**\*\*\*IMPORTANT NOTICE\*\*\***  
**WASTEWATER (SEWER) PROJECT INFORMATION**

The Town of North Reading has been actively planning to construct a municipal wastewater (sewer) system. This project would allow properties on Main Street and Concord Street as well as portions of Lowell Road, North Street, and Park Street to connect to the wastewater system, as indicated on the map on the bottom of this page.

This project would require approval by the Town's voters at Town Meeting and potentially at a debt exclusion election as soon as this spring. Options to finance this project include borrowing, potentially increasing real estate taxes for all property owners, the assessment of privilege (connection) fees, and/or the assessment of betterments to properties along the route. The Town is also pursuing state and/or federal assistance to pay for this project.

To educate residents, property owners, and business owners in advance of a potential vote, the Town has scheduled a series of Information Sessions at which the project will be reviewed, attendees will be able to ask questions, and attendees will be able to provide feedback. **Information sessions will be conducted on March 8<sup>th</sup> (in-person), April 5<sup>th</sup> (virtual) and April 12<sup>th</sup> (in-person) and details are printed on the other side of this flyer.**

**Proposed Municipal Wastewater In-Town Collection System Map**

***Please see reverse side of this flyer for Information Session details.***

**\*\*\*IMPORTANT NOTICE\*\*\***

**WASTEWATER (SEWER) PROJECT INFORMATION SESSION DATES**

Two wastewater Information Sessions will be held in person at North Reading Middle-High School's Distance Learning Lab and one meeting will be held virtually. All are welcome to attend any or all of these meetings in order to become familiar with the planning efforts made to date and the financing models being considered.

**March 8, 2023:**                   **7:00 PM**  
**North Reading Middle-High School Distance Learning Lab**  
**189 Park Street**

**April 5, 2023:**                   **7:00 PM**  
**Virtually via Zoom Technology**
