

**TOWN OF NORTH READING**  
*Massachusetts*

---

**Department of Public Works**

December 21, 2021

NOTICE TO RESIDENTS

To: Residents of Chestnut Street at Flint Street Area

From: Town of North Reading Department of Public Works

The Department of Public Works is beginning work to replace the failed culvert under Chestnut Street adjacent to house #43 Chestnut Street.

The contractor performing the work is N. Granese & Sons out of Salem, MA and the Engineering Company overseeing the work is New England Civil Engineering.

The work is expected to start the week of December 27, 2021 and take one week to complete, during which time Chestnut Street will be closed to through traffic from Marshall Street to Parker Drive.

**Road will be closed 24 hours a day during the work duration.**

Local traffic only will be allowed to access properties from each side of the work.

Active construction hours are 7am to 4pm.

Your cooperation is greatly appreciated.

Please contact John P. Klipfel, PE, Town Engineer if you have any questions. He may be reached at 978-357-5226 or at [jklipfel@northreadingma.gov](mailto:jklipfel@northreadingma.gov).
