NOTICE TO RESIDENTS

To: Residents of Peter Road & Anthony Road Neighborhood

From: Town of North Reading Department of Public Works

The Department of Public Works will be holding an informational meeting to discuss the final list of trees that will be removed in the Peter Road and Anthony Road neighborhood.

The meeting will be held on Thursday June 27, 2019 at 1:00pm in Room 14 of Town Hall.

The Town has met with a Massachusetts certified arborist and the final list of trees that will be detrimental to the construction of the sidewalk is attached. All trees that will be removed have also been marked with orange flagging.

If your address is marked in red, this means that a tree on your property has been recognized by our arborist as a possible threat to the future integrity of the sidewalk or roadway. No privately owned trees will be removed without the consent of the owners. A Right of Entry form must be signed before the tree removal can be completed.

Please contact John P. Klipfel, PE, Town Engineer to obtain Right of Entry form and if you have any questions prior to the meeting. He may be reached at 978-357-5226 or at [jklipfel@northreadingma.gov](mailto:jklipfel@northreadingma.gov).
