

TOWN OF NORTH READING
Massachusetts

Department of Public Works

June 22, 2020

NOTICE TO RESIDENTS

To: Residents of:
Peter Road
Anthony Road
Richard Road
Victoria Road
Mary Road
Charles Street

From: Town of North Reading Department of Public Works

The Department of Public Works is planning the final paving of the above mentioned streets. The work is scheduled to begin Tuesday June 23, 2020 and work will take approximately three days to complete, weather dependent.

The top wearing course of 1.5" of asphalt will be installed on the road surface and all areas of sidewalk will be completed. The contractor that will be performing the work is D&R Paving of Melrose MA.

Please be advised that no street parking is allowed during this work. All vehicles must be removed from the road for the duration of the work.

Work hours will be from 7:00 am to 4:00 pm. Residents may expect some minor delays traveling on these streets. Emergency vehicles and school buses will be allowed passage and a detail police officer will be present. Your cooperation is greatly appreciated.

After the final paving the DPW will place loam and seed on all areas that have been disturbed.

Please contact John P. Klipfel, PE, Town Engineer if you have any questions. He may be reached at 978-357-5226 or at jklipfel@northreadingma.gov.
