

TOWN OF NORTH READING
Massachusetts

Department of Public Works

- NOTICE -
ROAD REPAIR
CRACKSEALING
September 10 2017

Starting on Monday September 11, 2017 the Town will be crack sealing multiple roads throughout Town. The purpose of cracksealing is to prevent water from getting under the pavement and causing damage due to water freezing & lifting of the pavement. The streets for cracksealing have been determined through our Town wide Pavement Management Plan.

The selected streets are:

Agatha Way	Algonquin Road	Belleflower Road
Bonpel Drive	Colonial Hill Drive	Demetri Lane
Edgewood Terrace	Fairway Road	Fieldcrest Terrace
Flash Road	George Root Way	Junction Road
LeClair Street	Leland Road Ext.	North St (Main St to Haverhill St)
Oakhurst Terrace	Old Andover Road	Olde Coach Road
Palomino Drive	Parkview Terrace	Pinecrest Road
Poplar Terrace	Porter Road	Rahnden Terrace
Roach Circle	Ten Rod Way	Viewcrest Terrace
Voke Street		

This work will require short-term closure of single lanes while the work is being done, resulting in minor traffic delays. Police detail officers will be on site to control and re-direct traffic around the work areas. This preventive maintenance work may cause temporary inconvenience. We would like to thank you in advance for your patience and cooperation. Please contact the DPW in Town Hall at 978-357-5260 if you have questions.
