

Sub-committee: Life Long Learning

Scope Everyone benefits from having an active mind. From financial matters to book clubs to tutoring, the idea of life-long learning gives purpose and meaning to the lives of our friends, family, community and our selves.

Specific Objectives

- Coordinate lifelong learning with local colleges, NR school department and library.
- The goal is to help people to be competent in newer technologies, to simply enjoy the love of learning, and to contribute unique perspectives on history that would not be available in any other way.
