LIHEAP FUEL ASSISTANCE

How It Works

- Aid is available to pay a portion of winter heating bills for the primary heat source.
- Payments are made directly to the fuel provider. Applies only to oil, propane, coal, wood, gas, kerosene and electric.
- Aid may be available even if your rent includes heat or you live in subsidized housing.
- Supplemental benefit considered for eligible households with a high energy burden.
- We serve Lawrence, Methuen, Andover, North Andover, Reading and North Reading.
