

Shingles Vaccination Clinic for North Reading residents and employees ages 50 years old and up hosted by VaxinateRx and Healthcare Family Pharmacy.

1. Wednesday April 5th in room 14 at North Reading Town Hall 235 North St North Reading from 4-6 PM

VaxinateRX and Healthcare Family Pharmacy in collaboration with the town of North Reading Health Department will be offering Shingrix (the shingles vaccine) for those North Reading residents and employees that are ages 50+ and have not yet received the vaccine series

- Shingrix is series of 2 vaccinations with the second shot to be given 2-6 months after the first
- You must be 50 years old or older to receive this vaccine
- You only need to receive the 2 dose series once (this is not a series that needs to be repeated)

To register, please go to the following link:

Please bring your insurance cards (medical and prescription)

- **Insurance is required for this vaccine**
- **Shingles vaccine coverage varies by INSURANCE and is covered on the Pharmacy Benefit of your insurance plan**
- **Unfortunately at this time we are unable to provide Shingles vaccines at these clinics for people who have Harvard Pilgrim, United Health, or Optum Rx (this includes Medicare Part D plans under these carriers)**
 - **People who have these insurance plans are still eligible to receive the vaccine at a local pharmacy.**
- **Please note:** Residents and employees are required to schedule appointments in advance as this vaccine is very costly to purchase and has limited availability.
