STORM WATER MANAGEMENT PERMIT APPLICATION

Please note: Before completing this application, please verify applicability:
Are you disturbing greater than or equal to 1 Acre of land?
YES □  NO □

If checked yes, a storm water management permit is required prior to construction activities. Please refer to Chapter 156 of the General Bylaws and applicable Rules and Regulations for standards and the application process.

To [Building Inspector]:

The undersigned wishes to submit a Storm Water Management Permit Application as defined in the Town of North Reading’s Storm Water Management Rules and Regulations to comply with General Bylaw Chapter 156 Storm Water Management and requests a review and determination by the Building Inspector of the Storm Water Management Plan, Erosion and Sediment Control Plan, and the Operation and Maintenance Plan.

The Storm Water Management Plan, Erosion and Sediment Control Plan, and the Operation and Maintenance Plan involve property where owner's title to the land is derived under deed from, dated, and recorded in the Middlesex County Registry of Deeds, Book, Page, or Land Court Certificate of Title No., Registered in District, Book, and Page.

The Storm Water Management Permit application package shall include items (1) through (5 up front for the Building Inspector and relevant Town Departments to review; item (6) is required prior to any land disturbance:
☐ (1) A completed Application Form with original signatures of all Owners and the Applicant;

☐ (2) Two (2) hardcopies and one (1) electronic copy of the Storm Water Management Plan and project description as specified in Section 7. Drawing plans submitted with the electronic copy shall be both CAD and PDF formatted files;

☐ (3) Two (2) hardcopies and one (1) electronic copy of the Erosion and Sediment Control Plan as specified in Section 8. Drawing plans submitted with the electronic copy shall be both CAD and PDF formatted files;

☐ (4) Two (2) hardcopies and one (1) electronic copy of the Operation and Maintenance Plan as specified in Section 9. Drawing plans submitted with the electronic copy shall be both CAD and PDF formatted files;

☐ (5) Payment of all applicable fees. See Fee Schedule on Page 5.

☐ (6) Two (2) copies of the NPDES General Permit for Discharges from Large and Small Construction Activities application, including the Notice of Intent and Storm Water Pollution Prevention Plan (SWPPP) once permit coverage begins. The Town will check EPA’s website for verification that NOI was submitted and accepted. Any land disturbance can not begin until the Town has accepted the Storm Water Management Permit Application and has received copies of the accepted Construction NOI from EPA.

State the property (i.e. building) present use and location in Town:
