Introduction to DJ'ing

Free Workshop for North Reading Youth Services

Tuesday, February 18th, 2020 6-8 PM
Flint Memorial Library, North Reading

Course Description

Class attendees will learn the fundamentals of DJ'ing through a 2-hour workshop that teaches:

- Why DJ'ing is important, fun, and is a skill that can last a lifetime
- Industry standard DJ software and equipment overview
- Basics of mixer controls and mixing techniques
- Music selection for your crowd- the right time and place

Students will have an opportunity to get hands-on with DJ equipment to practice what they learned on a first-come-first serve basis. Class size is limited to 30 (minimum 10) and is free for High School students.
